

Smooth Collection

Fresh style with a smooth finish.

Beautiful environments.

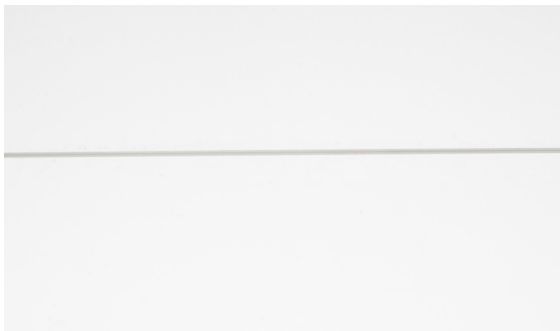

Bring fresh style to your interior spaces with the versatile appeal of our Smooth MDF. A smooth, clean look with two personalities. Reversible tongue & groove planks can be installed featuring the 1/8 in nickel-gap or the v-groove profile facing outward. It is double sanded and has two coats of primer.

Thoughtfully crafted.

Smooth MDF planks are manufactured in the USA, designed for quick and easy installation, and primed for painting on-site.

Smooth Primed MDF

Not intended for use on floors, exposed outdoor surfaces or in areas with constant direct sunlight, high humidity or contact with water. **IMPORTANT:** Always check and comply with all applicable building and fire codes. Mock-ups depicted are for illustration purposes only. Clearances required for installations adjacent to household gas cooking appliances may vary depending upon appliance type, heat output and jurisdiction.
